

# 85th National Honey Show

International classes and beekeepers' lecture convention

Thursday 27 - Saturday 29 October 2016

At  
the end of the summer  
we celebrate the fruits of nectar harvest

with a display of all the year's  
various honey and hive products in  
a stunning exhibition from far & wide. Plus  
crafts, photos, cakes, confectionery. An amazing  
spectacle for beekeepers & non-beekeepers alike.

Curious about bees ? See bees in action,  
have a look down a microscope at their world,  
watch a skep being made, find interesting books,  
browse candles, honey, cakes, toiletries, cosmetics.  
Find out about bee friendly plants for the garden. Quiz  
for children & more in the lively educational and trade area.

Chat with beekeepers, ask questions, take  
a break in the coffee shop. Come to the Saturday  
talks for those new to or thinking about keeping bees.

Lots to see and do.  
Come along and join us
